

Community Business Partner Packages 2022/2023

Thank you for your interest in becoming a Community Business Partner at MKMS! We are excited to hear of your interest. We ask for a monetary donation from your business to support student events, student and staff incentives, equipment, technology, software, books, supplies, activities, resource materials, supplemental materials, professional development, and any other use deemed necessary by our principal, Dr. Jason McDonald.

What is included and how does your business benefit? Your business can display a 3'x5' vinyl banner for display on our car loop fence. These Community Business Partners will also be recognized on all our social media platforms and the MKMS website.

Are there any other Community Business Partner options besides a monetary donation? Yes, if you choose to donate items such as food and drink for students and staff, materials for teachers or any other tangible items you can still be a Community Business Partner! We will recognize your business on all social media platforms and the MKMS website but there will be no banner on the Markham Woods Middle School car loop. Thank you for your continued support!

- \$300 Donation**
- My business would like to donate _____; I understand that my company will be recognized on social media platforms as a business partner, but no banner will be displayed on the car loop.
